Dear Mr. Sirs:

RE: E-MAILS

We acknowledge your letter of February 19th, and we note your request for a meeting.

I have been asked to inform you that, with regret, the City does not believe a meeting would be useful. The City is not prepared to list the Family of Men Support Society on the City of Calgary's family violence information website.

As to your second request, the City cannot be of any help to you in this regard. You would need to approach these agencies personally to discuss the "possibility of working closer with other city agencies involved with the issues of family violence".

I am also asked to inform your organization, that again with regret, the City will not respond to any further correspondence from your organization on these two issues.

Yours truly,

Deborah Dalton
Barrister & Solicitor
